

Certificate of conformity of the factory production control

1111 – CPR –

In compliance with Regulation 305/2011/EU of the European Parliament
and of the Council of 9 March 2011 (the Construction Products Regulation or CPR),
this certificate applies to the construction product

produced by or for

and produced in the manufacturing plant(s)

This certificate attests that all provisions concerning the assessment and verification
of constancy of performance described in Annex ZA of the standard(s)

under system 2+ are applied and that the factory production control
fulfils all the prescribed requirements set out above.

This certificate was first issued on _____ and will remain valid as long as the test methods
and/or factory production control requirements included in the harmonised standard, used to
assess the performance of the declared characteristics, do not change, and the product, and
the manufacturing conditions in the plant are not modified significantly. The certificate will
expire at the latest _____
